# Today's mission

**Goal: Recalls and identify key experiments conducted from Term**

## 1 Learn

**Use: Looking Back at Our Experiments, How to Write a Science Report**

## 2 Practise

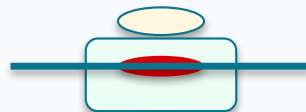

**Show: answer with one reason or example.**

## 3 Show

**Routine: listen, talk, try, explain.**

## 4 Reflect

**Explain in your own words.**

## Starter: think first

1

**THINK**

**Which experiment did  
you find most  
challenging?**

30 seconds

2

**PAIR**

**compare your first  
answer with a partner.**

with partner

3

**SHARE**

**connect your answer  
to Looking Back at Our  
Experiments.**

whole class

# Looking Back at Our Experiments

## CONTENT MAP

### Prior knowledge activation regarding Term 1

Title/Aim

Materials

Procedure

Result

skeleton

circuit

solar

biogas

Reviewing the Muscular-Skeletal  
model

Recalling the Electricity and  
Magnetism

Remembering the Energy Resources

P7 class flow: listen • talk • try • explain

# How to Write a Science Report

## MODEL MAP

### Worked example

Title/Aim

Materials

Procedure

Result

skeleton

circuit

solar

biogas

Title and Aim (What and Why)

Apparatus/Materials (The tools)

Procedure (The steps)

P7 class flow: listen • talk • try • explain

## Try it together

### PRACTICE FLOW

### Answer with evidence

?

**What materials did we use to represent the backbone in our model?**

---

answer + reason

?

**What is the difference between apparatus and procedure?**

---

answer + reason

?

**Why do we need an 'Aim' in our report?**

---

answer + reason

Use evidence from the lesson, not guessing.

# Activity challenge

## GROUP INFOGRAPHIC

### Challenge

Title/Aim

Materials

Procedure

Result

skeleton

circuit

solar

biogas

**Share-out: explain one result, then improve it.**

Brainstorm in pairs and list all the

Copy the report structure into their notebooks

Participate in a whole-class exercise to

P7 class flow: listen • talk • try • explain

## Exit ticket

### EXIT TICKET

**Answer: How does writing a report help you remember the experiment?**

---

---

---

Use one complete sentence.

Hand in or read your answer aloud.
